

# Scripture Reading Chart

This list of Scripture readings will bring you through the Torah and the Gospels in one year, one reading of each per week. The Torah portions are the standard read by all Jewish communities each year, and the Gospel portions are arranged chronologically. You could easily do this reading in less than a year if you need to, by doing one reading each day. There are 108 portions in total, 54 for the Torah and 54 for the Gospels.
